THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.20628 of 1995

ORAL ORDER:

This writ petition is filed at a time when the members of petitioner association were not considered for being sent to Sanitary Inspectors' Training Course during the year 1995-96. It is their case that though they were in-service multi purpose health workers, they have not been sent for Training. Unless and until, they are imparted with the said Training, neither their services will be regularized nor they will get promotion to the next higher posts.

The writ petition was filed in the year 1995 and now it is more than (11) years. I am of the opinion that no adjudication can be taken at this stage, except directing the second respondent to consider the representation purported to have been made by the petitioner association on 14.7.1995 and pass appropriate orders within a period of three months from the date of receipt of a copy of this order and communicate the same to the petitioner.

The writ petition is accordingly disposed of. No order as to costs.

C.V.RAMULU,
